

# CHAPEL HILL CHILDREN'S CLINIC

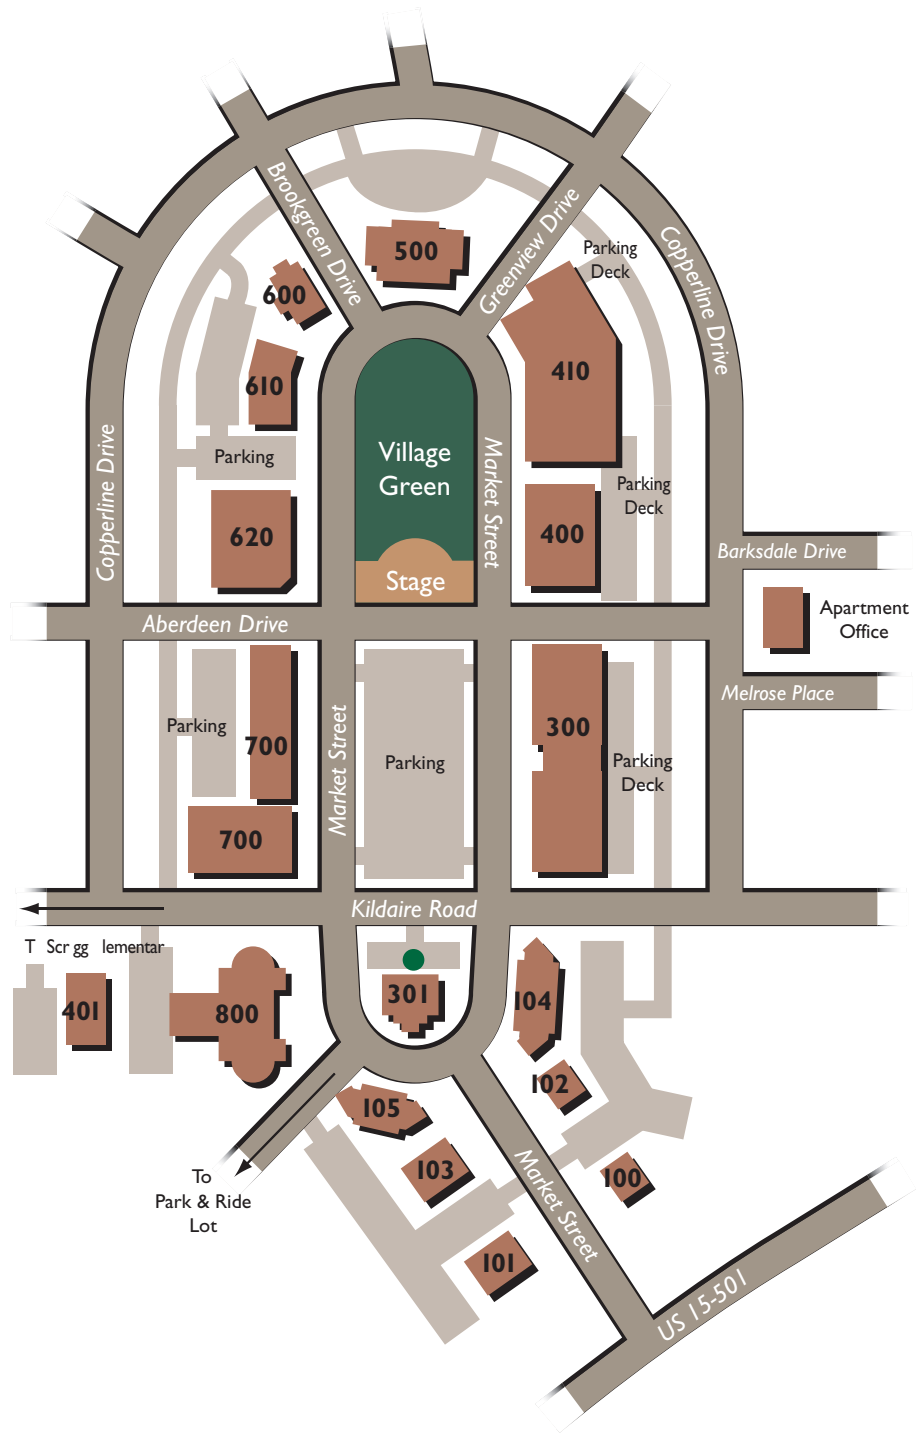

At the Chapel Hill Children's Clinic, we take pride in the fact that we can give you and your child the individualized care you deserve.

We feel that we can accomplish this because we are a small clinic, we have a family atmosphere, and we are privately owned and operated.

We pride ourselves on addressing the individual needs of every patient and family. We care about the health of your child, and with our experienced nursing staff, our affiliations with sub specialists, local hospitals (UNC and Durham Regional Hospital), and our insurance partners, Chapel Hill Children's Clinic is the perfect place to ensure many happy, healthy years for you and your child.

We look forward to you joining our family!
