

# VILLAGE PEDIATRICS

We would like to be your child's new medical home! Our mission is to provide a higher standard of medical service. We provide superb primary medical care to children from birth to age 21. Our office hours are extended so that we can better accommodate the needs of active families and our appointment times are longer so that we can get to know our patients and their families. Come see the medical home we've made for your family in Southern Village! Walk-ins are always welcome. At Village Pediatrics, we're putting old-fashioned service back into medical care!

Open Monday through Friday  
8:30 am – 8:30 pm
